Significant Incident Summary Worksheet

For The Nakamoto Group to complete its review of your facility, the following information must be completed prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.

☒ Does Not Meet Standards

Comments: This inspection was conducted to determine the overall compliance with the ICE Performance-Based National Detention Standards (PBNDS) 2008.

There were no allegations of sexual abuse or assault during this inspection period. There were no deaths or serious suicide attempts. There were no escape attempts.

There were no incidents involving the use of force on an ICE detainee during this inspection period. The facility has Tasers on their inventory. Policy does not preclude the use of a Taser on an ICE detainee. The facility does not use oleoresin capsicum (OC) or any other chemical agent. Canines are used for contraband detection only, but not in the presence of ICE detainees.
