### **Significant Incident Summary Worksheet**

For The Nakamoto Group to complete its review of your facility, the following information must be completed prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.

Comments: The standard for Sexual Abuse and Assault Prevention was evaluated using the PBNDS 2011 Standards.

There were no serious suicide attempts or detainee deaths since the previous inspection. There were no allegations of detainee on detainee sexual assault since the previous annual inspection.

There were no escapes or serious attempts since the previous inspection. There were no uses of force involving ICE detainees since the previous inspection. Acts and techniques such as neck restraints; using batons to apply choke holds; intentional baton strikes to head, groin, solar plexus, kidneys; and striking a detainee for failure to obey an order are prohibited.

The data on page two of the Significant Incident Summary Report is for the ICE population only.
