Facility Snapshot/Description

The David W. Wyatt Detention Facility is a multi-jurisdictional facility, housing male and female detainees of all custody levels, in Central Falls, Rhode Island. The facility is located nine miles Northeast of Providence, Rhode Island. The [REDACTED] direct supervision facility was established in 1993 as the nation's first publicly owned and privately-operated adult secure correctional facility. The facility is owned and operated by the Central Falls Detention Facility Corporation which is governed by a board appointed by the Mayor of Central Falls. This special non-profit, quasi-public detention facility was developed for use by the United States Marshal Service in the Northeast and was later extended to include ICE and United States Naval personnel who have been placed in the custody of the General Court-Martial Convening Authority. The facility encompasses four acres within the secure perimeter and an additional three acres across the street from the facility on which the training center and parking lots for employees and visitors are located. The housing units are made up of one, two and four bed celled units and one fifty-four bed dormitory. The facility does not house juveniles. [REDACTED]

[REDACTED] The facility first admitted ICE detainees on 3/10/2019.

All areas of the facility were toured during the inspection and it was noted that sanitation levels were excellent. The ICE housing units have a dayroom area with tables, chairs, a television viewing area, a telephone bank and ample showers with wash basins. The housing units were quiet and detainees were observed socializing in the dayrooms, watching television and talking on the telephones. The ICE housing units have outdoor recreation yards adjacent to the units. Correctional officers provide recreation services under the supervision of a program director.

All staff were professional and cordial to the inspection team. All personnel interviewed were well versed in the National Detention Standards and understand the concept of civil detention. ICE detainees are housed separately from non-ICE detainees. Housing units designated for ICE detainees have a law library dedicated for ICE detainee use only.

Medical staff are on duty 24 hours a day, seven days a week. Sick call is scheduled daily, seven days a week. The facility does not charge co-pays for medical, mental health, or dental care.

Overall, the atmosphere at the facility was observed to be generally calm with no obvious indicators of high stress. Staff were observed interacting with detainees without any indication of hostility. No less than sixty-five detainee interviews were conducted by the inspection team. Twenty-five of the interviews were conducted in a private setting, most by bilingual inspectors. No concerns were voiced by detainees concerning their care and treatment at the facility. Most remarks were, in fact, complimentarily of how they were treated by staff and of services provided.

Areas of Concern/Significant Observations

There were no areas of concern or significant observations.

Recommended Rating and Justification

The Lead Compliance Inspector recommends that the facility receive a rating of Acceptable. The facility complies with the ICE National Detention Standards (NDS). No (0) standards were found Deficient and two (2) standards were Not Applicable (N/A). All remaining thirty-seven (37) standards were found to be in compliance.

LCI Assurance Statement

The findings of compliance and non-compliance are accurately and completely documented on the G-324 Inspection Form and are supported by documentation in the inspection file. An out brief was conducted at the facility and in addition to the entire Nakamoto Group, Inc. Inspection Team, the following were present:

- ICE Officials – [REDACTED]
- Facility Staff – [REDACTED] and various other command and administrative personnel
