Facility Snapshot/Description

The Coastal Bend Detention Center is owned and operated by The Geo Group, Inc. The facility is located near Robstown, Texas, approximately thirty miles north of Corpus Christi, Texas. The complex was built in 2008. It currently houses adult male and female USMS detainees and ICE detainees of all classification levels. ICE detainees are segregated from non-ICE detainee populations in their housing and activities. Housing is governed by compatible custody levels. The [REDACTED] facility does not house juveniles. [REDACTED]

[REDACTED] In September, the ICE detainee population was reduced to only those detainees who had been released from USMS custody and had rolled over into ICE custody. These detainees are processed by ICE and are moved from the facility within 24 to 48 hours. [REDACTED]

The compound is a 25-acre plot containing four separate buildings interconnected with covered walkways watched by central control and post personnel. A network of 151 monitored and recorded surveillance cameras augment internal security and observation efforts. The entire perimeter is surrounded by dual twelve-foot chain-link fences supplemented with razor ribbon, top and bottom. The perimeter is encircled by a paved road patrolled by an armed officer 24 hours a day. The entire perimeter is monitored by surveillance cameras.

The facility consists of sixteen-bed dormitories, 48-bed dormitories, eight-bed dormitories and two-bed cells. The facility is ADA compliant and has at least one handicapped accessible cell in each housing unit. During the inspection all ICE detainees were classified as low custody and were housed together in one housing unit. The inspection team visited the housing unit several times during the inspection. The detainees were interviewed by several inspectors and none voiced any complaints. The detainees were interviewed as a group and those that were willing to speak to the inspectors individually were interviewed in a private, confidential setting. LEP detainees were interviewed using the language line. The facility also utilizes a tablet equipped with a translation application that will translate sign language if necessary. The facility was observed to be clean and well maintained. Personnel interviewed were well-versed in the requirements of the Standards and the concept of civil detention.

Medical services and food services are provided by The GEO Group, Inc. Detainees are not charged a co-payment for medical or mental health services.

Areas of Concern/Significant Observations

Priority Component – Does Not Meet Standard

Visitation

Policy: Component #5 – General visitation is permitted during set hours on Saturdays, Sundays, and holidays, and to the extent practicable, the facility accommodates the scheduling needs of visitors for whom weekends and holidays pose a hardship. The number of visitors a detainee receives and the length of visits are limited only by reasonable constraints of space, scheduling, staff availability, safety, security, and good order. The minimum duration for a visit is thirty minutes.

Finding: ICE detainee visitation is scheduled from 3:00 p.m. to 5:00 p.m. on Sunday only. Detainees are permitted thirty minutes for a visit.

Recommendation: ICE detainee visitation should be permitted on Saturday, Sunday and holidays.

Recommended Rating and Justification

The Lead Compliance Inspector recommends that the facility receive a rating of Meets Standards. The facility complies with the ICE Performance Based National Detention Standards (PBNDS) 2008. No (0) standards were found Does Not Meet Standards and four (4) standards were Not Applicable (N/A). All remaining thirty-seven (37) standards were found to be in compliance.
