Food Service – 2
Funds and Personal Property - 1
Visitation - 1, which is a repeat deficiency
Environmental Health and Safety – 1
Special Management Unit (Disciplinary Segregation) – 1, which is a repeat deficiency
Sexual Abuse and Assault Prevention and Intervention - 1

Facility Snapshot/Description

The Suffolk County House of Correction is a [REDACTED] facility operated by the Suffolk County Sheriff's Office. The eight-building facility houses [REDACTED]. This decentralized, direct supervision correctional center is comprised of 27 separate housing units. [REDACTED]

[REDACTED] The food service department is operated by Summit Food Services. The medical department is operated by NaphCare. All other services are provided by employees of the Suffolk County Sheriff's Department. During the inspection, the facility was observed to be of adequate cleanliness, quiet, and orderly. No less than 107 detainee interviews were conducted. There were no concerns voiced regarding living conditions, legal access, medical care, or life safety issues.

Building Eight houses male ICE detainees on the third and fourth floors. These dormitory style housing units have a capacity of seventy-five detainees in six person rooms. Each dormitory has a dayroom area with tables, chairs, a television viewing area, a telephone bank and ample showers and wash basins. Female ICE detainees are housed in Building One on the tenth floor in two and three person cells, with a capacity of thirty-two. The housing unit also has a dayroom area with tables, chairs, a television viewing area, a telephone bank and ample showers and wash basins. Both male and female ICE detainees have access to indoor/outdoor recreation. Law libraries are adjacent to each housing unit.

The Nakamoto Group, Inc.

Facility employees are professional and skilled in the administration of the ICE standards. Staff presented themselves in a professional manner in both attire and demeanor. Staff interaction with detainees is relaxed, yet professional. Many of the staff are bilingual. Detainees were polite and respectful to staff and visitors. Detainees registered no substantive concerns about the condition of the facility or their treatment by staff. During confidential interviews, all detainees indicated that they felt safe at the facility and that the ICE officers, correctional officers and command personnel were readily available and responsive to their concerns. Interviews with LEP detainees indicated that they had no issues communicating with staff and no problems obtaining services. A deportation officer is assigned to this facility five days a week. The detainees do not have a co-pay for medical care.

Areas of Concern/Significant Observations

There were no areas of concern or significant observations.

Recommended Rating and Justification

The Lead Compliance Inspector recommends that the facility receive a rating of Acceptable. The facility complies with the ICE National Detention Standards (NDS). No (0) standards were found Deficient and two (2) standards were Not Applicable (N/A). All remaining thirty-seven (37) standards were found to be in compliance.

LCI Assurance Statement

The findings of Acceptable and Deficient are accurately and completely documented on the G-324A Inspection Form and are supported by documentation in the inspection file. An out brief was conducted at the facility and in addition to the entire Nakamoto Group, Inc. Inspection Team, the following were present:

- ICE Officials – [REDACTED]
- Facility Staff – [REDACTED]
