## **Significant Incident Summary Worksheet**

For Nakamoto to complete its review of your facility, the following information <u>must be completed</u> prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.

Comments: The Sexual Abuse and Assault Prevention and Intervention Standard was inspected during this inspection but is not referenced in the Standards Review Summary Report. The Standard was rated as Meets Standard for this inspection. There were no allegations of sexual assault or abuse by an ICE detained during the inspection period.

There were no escapes, deaths or use of force incidents involving ICE detainees. There was one suicide attempt involving an ICE detainee during the inspection period. Documentation confirmed that standard guidelines and policies were followed. The facility does not deploy canines in the presence of ICE detainees. Tasers and chemical agents are carried by authorized staff and may be used on ICE detainees.

The information provided on the Significant Incident Summary Worksheet reflects the detainee population.
